

Edgewood Tahoe Golf Course's top priority is the wellness of our guests and team members. To maintain a safe environment, we have implemented additional sanitizing procedures and new social distancing guidelines.

GOLF OPERATIONS

Cleaning & Sanitizing Protocol

- Golf carts and pushcarts to be sanitized before and after each round by a designated cart staff
- Rental clubs to be sanitized before and after each round
- Locker rooms and foyer area sanitized at least once every four hours; guest contact areas in each sanitized after each use
- Team members to wash hands or sanitize hands after touching any guest equipment including clubs, bags or shoes, and frequently following guest interactions
- Hand sanitizer station placed at Golf Shop entry/exit
- High touch areas in Golf Shop such as countertops and credit card processors will be sanitized by Golf Shop staff hourly
- Range balls will be washed and disinfected after every pick and placed on the ground at each hitting stall

Physical Distancing Protocol

- One player per cart. Will follow updates on guidance from local authorities
- Cups will be placed in the greens upside down to prevent golfers from reaching into the hole
- Flagsticks will be left in the hole at all times and should not be touched by golfers
- Increased tee time spacing to minimum 10-minute intervals
- Minimum 10-foot separation of hitting stalls to be utilized for warm-up area
- Sand and seed bottles removed from carts
- No bunker rakes, benches, sand stations or ball washers will be placed on the course
- Marshals will maintain the pace of play, rake messy bunkers, and remind golfers of minimum 6-foot distancing
- Golf Shop to only staff two registers to maintain maximum distancing
- Golf Shop to set up que for the line at registers to maintain 6-foot distancing
- Golf shop credit card processors moved to the outer portions of the counter
- Plexiglass will be placed between the golf shop computers and customer check-in area
- On course bathrooms will be available for guest use and will be sanitized every three hours

Guest Considerations

- Players must have a tee time to enter Edgewood Tahoe Resort
- No self-service food or beverage available
- No caddies available
- Bag Drop staff will greet and give information about check-in. At this time, they cannot handle clubs
- Clubhouse and bathroom doors should stay open whenever possible to minimize hand contact
- Reduced occupancy in Golf Shop
- Golfers are not allowed to touch the flagstick

- Bunker rakes will not be on the course, golfers will be asked to smooth sand with their feet. Bunkers will be machine raked prior to play commencing each day
- No sand bottles or ice chests in golf carts
- Drinking fountains turned off and covered to prevent use
- Ball washers will be removed from the golf course. Golfers can use a wet towel to clean golf balls
- Snack bar phone will be taken down, and direct phone number will be posted on the 9th tee
- Snack bar will provide only to-go orders
