BROOKS' BAR & DECK SELECTED AS ONE OF THE "BEST GOLF PUBS" WORLDWIDE

Stateline, NV (May 23, 2016) – Brooks' Bar & Deck at Lake Tahoe's premier waterfront destination, Edgewood Tahoe, has been selected by the editors of *Golf Digest* as one of the "Best Golf Pubs" in the world. Brooks' was previously selected by the same magazine as one of the top 50 "19th Holes in America" in 2008, praising the bar's "postcard views of the course, Lake Tahoe, and snow-capped Sierras." This new award features only 10 other pubs from around the globe in famous locations including Pebble Beach, California; Pinehurst, North Carolina; St. Andrews, Scotland; and Doonberg, Ireland.

Golf Digest's "Best Golf Pub" award was carefully selected by the magazine's "experts." The elite team canvassed the globe to identify the best venues in which to round out a day on the golf course. The selection criteria included quality and expertise of the service, overall ambience of the environment, and golf knowledge of the clientele.

"Since opening in 2003, Brooks' has become a must visit for golfers, travelers, and the local community," said Bobby King, General Manager at Edgewood. "The friendly faces behind the bar coupled with the amazing view from the patio of the course bordered by the Sierras and Lake Tahoe are what set it apart from the rest."

The bar's namesake is Brooks Park, whose grandfather purchased the property in 1896. The atmosphere inside Brooks' Bar & Deck is that of a sports bar designed by Frank Gehry: sweeping vaulted ceilings, top-to-bottom windows and a handsome wooden build. Yet the beautiful architecture exudes a comfortable feel and attitude. Brooks is an ideal neighborhood bar for post-play fare and cold beverages, and yet with entrees and a wine list of a fine restaurant.

Brooks' Bar & Deck is open 7 days a week with a breakfast buffet opening at 7:00am. The lunch and dinner menu includes a wide array of tastes for appetizers, salads, and entrees, with both gluten free and dairy free choices available. Enjoy a signature classic or mango mojito from the fully stocked bar, as well as draft beer and wine, while catching the biggest live sports games on big screen TV's.

Guests can reserve a table ahead of time by visiting EdgewoodTahoe.com/Brooks, or calling (775) 588-6183. Walk-in guests are also welcome by coming directly to Edgewood Tahoe at 100 Lake Parkway, Stateline, NV, 89449. To find out more about Edgewood, visit us online at EdgewoodTahoe.com.
