Where do we meet & check in?

Meet the team at the Edgewood Tahoe watersports kiosk next to the pier.

What should we bring?

We encourage you to bring non-spray sunscreen, warm layers, sunglasses, a hat, and your Edgewood Tahoe refillable water bottle. Towels will be provided.

Service animals are not allowed onboard the MasterCraft XT24 or NXT24.

Do you offer food and beverages on board?

Edgewood Tahoe offers a special boat-friendly menu provided to you in a travel cooler. Eight-hour advance notice is required. Connect with an Edgewood Tahoe team member to learn more about our picnic-style food offerings at the concierge desk located in the lobby or activities@edgewoodtahoe.com.

Are life jackets provided?

The MasterCraft team will ensure that each person on board is fitted for a PFD (personal floatation device), including children and infants.

What should we not bring?

We ask that you refrain from bringing messy food such as Cheetos or chocolate. Please avoid footwear such as hiking boots or high-heeled shoes that could damage the boat's seats. Sustainability is critical at Edgewood Tahoe, so we ask you to avoid single-use products such as Styrofoam coolers, plastic bags, and plastic bottles. Edgewood Tahoe does not allow pets on the property.

What is your cancellation and refund policy?

We have a 72-hour cancellation policy. All trips canceled within the 72-hour window will not receive their \$600 deposit. If a refund is issued, it will return to the original form of payment. Weather cancellations are at the captain's discretion.
