

EDGEWOOD
TAHOE RESORT

Edgewood Tahoe Resort is a premier luxury lakefront destination where guests experience the perfect balance of natural beauty and refined elegance on 235 acres along the shores of Lake Tahoe.

Since its opening in 1968 as a renowned golf retreat, Edgewood Tahoe has transformed into a full-service, world-class resort, recently achieving a 2025 MICHELIN One Key and a Forbes 4-Star rating, held since 2019. The resort offers 154 luxurious guest rooms and suites, and 14 Villa Suites designed to provide elevated comfort, added privacy, lake views and a refined retreat experience. Guests can unwind at the 8,500 sq. ft. award-winning spa, and enjoy a variety of dining options, including fine dining with lake views and casual après-ski settings. For events and gatherings, Edgewood Tahoe features elegant ballroom banquet spaces as well as scenic lakefront venues that provide breathtaking backdrops for memorable occasions. Edgewood Tahoe's 18-hole championship golf course, a favorite among golf enthusiasts, complements an extensive list of outdoor activities like hiking, skiing, and lake adventures in the area. Edgewood Tahoe's ongoing commitment to sustainable hospitality and elevated guest experiences makes it the preferred choice for discerning travelers seeking adventure, luxury, and relaxation in an environmentally conscious setting.

EDGEWOOD TAHOE'S *COMMITMENT TO SUSTAINABILITY*

At Edgewood Tahoe, sustainability is more than a philosophy; it's a promise woven into every aspect of our resort experience. From eco-conscious architecture and renewable energy systems to carbon-negative dining and nature-forward guest programming, we remain fiercely committed to preserving the beauty and health of Lake Tahoe for generations to come.

Sustainable Engineering & Architecture

- **Lake-Sourced Cooling System:** Utilizes 43°F water drawn 600 feet below the surface of Lake Tahoe to cool the entire lodge without fossil fuels.
- **Stormwater Filtration System:** Water from Stateline is naturally filtered through Edgewood's golf course pond, stream system, and wetlands before reentering the lake.
- **Locally Sourced Building Materials:** Includes repurposed wood from Edgewood's original dock and granite from nearby quarries.

Food and Beverage Initiatives

- **AirCarbon Cutlery & Straws:** Made from ocean-friendly, carbon-negative materials that remove CO₂ from the atmosphere. (*Edgewood is the first in the Tahoe Basin to implement this technology.*)
- No plastic bottles are found across the resort. All water is served in recyclable aluminum or glass, replacing about 120,000 plastic bottles annually.

Third-Party Recognition

- Edgewood Tahoe is LEED Silver Certified, meaning that the lodge meets rigorous environmental standards through energy efficiency, water conservation, and sustainable design.
- Edgewood Tahoe is proud to be a member of Beyond Green (a global portfolio of the world's most sustainable hotels) recognized for measurable impact, community engagement, and holistic stewardship of the planet.

Nature-Inspired Guest Experiences

- **Edgewood Eco-Heritage Tour:** An immersive 30–45 minute guided walk offering guests insights into the property's history, eco-design, and conservation practices including our partnerships with Beyond Green and the Sugar Pine Foundation.
- **Tree Planting Program:** Over 130 new trees planted on the property and opportunities for guests to help restore local Sugar Pine populations.
- **Mindfulness Walks & Snowshoeing:** Seasonal guided experiences focused on wellness, conservation, and the history of Lake Tahoe.

Sustainable Offerings

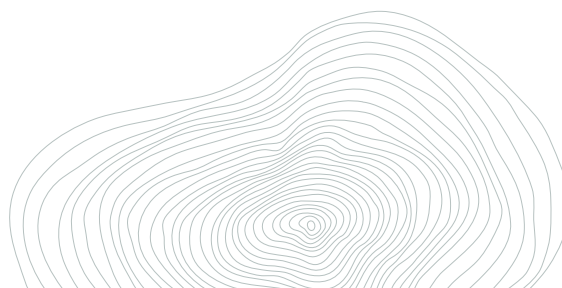

- All guest rooms now feature refillable bath amenities, eliminating single-use plastics.
- Use only low or no VOC materials for healthier indoor air quality.
- Linens collected in nylon bags and cleaned with washable rags, not disposables.

In-Room Sustainability Touches

- Recyclable Nespresso Pods
- Wooden Room Keys (not plastic)

Green Golf Course Operations

- Member of the Audubon Cooperative Sanctuary Program, ensuring reduced chemical use and expanded wildlife habitats.
- Electric golf carts and battery-powered grounds equipment lower emissions and noise pollution.
- Ongoing water quality testing and natural stormwater filtration protect Lake Tahoe's purity.

EDGEWOOD TAHOE RESORT: *AT A GLANCE*

Legacy & Land

Edgewood Tahoe's story began over 150 years ago when the Park family settled along the shores of Lake Tahoe as cattle ranchers. Recognizing the land's unique value, they established a legacy that continues to shape the resort today.

Edgewood Golf Course

Established in 1968 and designed by renowned golf architect Tom Fazio, Edgewood Golf Course is a championship-level course that has hosted numerous national tournaments, including the annual American Century Championship. It remains a world-class destination for golfers of all skill levels.

The Lodge at Edgewood Tahoe

Opened in 2017, the 154-room Lodge was inspired by the classic lodges of National Parks and the American West. The Lodge features luxury accommodations, a full-service spa, boutique shopping, and multiple award-winning restaurants all set against the stunning backdrop of Lake Tahoe and the Sierra Nevada Mountains.

The Villa Suites

The Villa Suites at Edgewood Tahoe debuted in 2022 and represents the resort's next phase of luxury. These lakeview accommodations provide a new level of privacy and sophistication, continuing Edgewood Tahoe's mission to deliver the ultimate Lake Tahoe experience.

LOOKING AHEAD

Edgewood Tahoe is constantly innovating and evolving, committed to elevating the resort through improvements that advance excellence, sustainability, and unforgettable guest experiences.
