250 | 50 MIN

An innovative ritual designed to restore deep relaxation and inner balance by engaging touch and aroma. A bespoke blend of Tranquillity™ essential oils and a combination of Ayurvedic and Indonesian Sea Malay techniques, enhanced with soft brush strokes, gently guide the body and mind into a state of profound calm.

Perfect for those experiencing stress, restlessness, or difficulty sleeping, as well as travelers recovering from jet lag or long flights. The result is a quiet mind, a deeply relaxed body, and beautifully hydrated, silky skin. Promotes restorative sleep and total serenity.

BUTTER RUM DELIGHT BODY POLISH

275 | 50 MIN

A decadent, warming body polish inspired by cozy fireside evenings and indulgent seasonal flavors. Begin with a full-body exfoliation using FarmHouse Fresh Butter Rum Body Polish, where aged rum, brown sugar, and nourishing oils gently polish away dry, dull skin while leaving the body soft and beautifully conditioned.

Following exfoliation, enjoy a luxurious application of Honey Chai Steeped Milk Lotion, infused with organic cardamom and creamy coconut milk. The velvety lotion is massaged into the skin using flowing, relaxing techniques to deeply moisturize and leave you wrapped in the comforting aroma of honey chai.

PURE FOREST FACIAL

250 | 50 MIN • 350 | 80 MIN

Inspired by the restorative intelligence of the forest, the Pure Forest facial is a sensorial ritual designed to bring skin back to a state of calm. Adaptogenic botanicals, precious mushrooms, and mineral-rich botanicals work in harmony to replenish, comfort, and awaken a complexion dulled by the visible effects of stress. Tulsi, reishi, ashwagandha, and snow mushroom soothe the look of stress, while birch water floods the complexion with weightless hydration. Skin emerges calm, supple, and luminous—like a breath of fresh air through the forest. The Pure Forest facial is more than skincare. It is a pause. A breath. A return to your natural radiance.
